

# CHAPTER MEETING - Wednesday Oct. 10, 2018

BOISE VALLEY CHAPTER ARMA, INC.

Promoting community awareness of records management and information governance.

**Where:** Ada County Highway District (ACHD) Auditorium  
3775 N. Adams Street, Garden City, ID 83724

**Time:** 5:30 - 7:00 p.m. - Dinner and Presentation

## Case Studies for Deploying Information Governance in the Cloud

Companies are rapidly moving their critical applications and data to the cloud. Information Governance professionals face challenges with this new paradigm, but exciting opportunities await! See how several major companies are leading the way in achieving successful Information Governance programs, and leveraging cloud technology. Learn best practices and lessons learned from deploying to the cloud including processes and technology.

**Presenter: John P. Frost, CRM FAI**  
**Senior Information Governance Specialist for Box**

John has 25+ years of Enterprise Content Management (ECM) and Information Governance (IG) experience including information security and content analytics. He has served the following Roles: Global Corporate Records Manager; ECM and Governance Technical Consultant; Governance Technical Seller; Worldwide Services Practice Lead; and Vice President of Sales and Operations. His customers served include Global corporations, Foreign governments, and Fortune 500 companies.

### **COST & RSVP**

- \$20 for ARMA members \$25 for non-members. Dinner will be provided.
- Please RSVP no later than **Wednesday, October 3rd** to Rick Surber at [rick.surber@zasio.com](mailto:rick.surber@zasio.com) or call at 208.922.7698.

### **Women's & Children's Alliance Donations**

- The Boise Valley Chapter has selected the Women's & Children's Alliance for our community project. If you can, please bring a monetary donation to the chapter meeting.
