BVC ARMA has selected the Boise VA for our community project. If you can, donate [here.](#)

CYBER SECURITY AND IG

Cybersecurity professionals are continually defending our organizations from cyber-attacks, and IG professionals can be a reliable ally to our cybersecurity friends. Learn some of the challenges they face, joint issues, and specific questions to ask cyber professionals.

Andrew Ysasi, MS, FIP, FIIM, CIPM, CIPP, CISM, PMP, CRM, IGP, CIP has worked in information management since 2007 and is an expert on information governance and records management. As Vice President of Advocacy for VRC, Andrew is tasked with mentoring, educating, volunteering, and advocating for all matters related to information governance (IG).

Andrew serves on various industry association boards and is currently the President of IG GURU® an IG news organization to ensure relevant IG news is shared with the IG community. Andrew is a host on the Inside the Records Room podcast, is a contributor to ARMA's IGBOK, a former Regent for the ICRM, and a former adjunct professor at Davenport University. He holds a Master of Science in Administration with a concentration on Information Resource Management from Central Michigan University.
