

Hi BVC ARMA Members and Friends,

We are excited to announce that we will commemorate President's Day with the annual flag-raising along the Avenue of Flags at the local Boise VA Medical Center (VAMC).

Our chapter will be organizing and performing this long-time cherished tradition by raising and taking down dozens of flags along the avenue. We'll be gathering at VAMC on President's Day, Monday, Feb. 20, just before 7 a.m. to raise the flags, and at 4:30 p.m. to take them down.

We're looking for volunteers who would like to participate during one or both times, and encourage any family and friends to join this great opportunity to get involved in the community. Zasio is sponsoring coffee and donuts for the morning crew!

This is a great opportunity to show support for veterans and the Boise VA Medical Center which currently serves an estimated veteran population of 100,000 throughout southern Idaho.

Please let me know if you plan to take part in this tradition and I will provide additional details on where to meet, etc.

I hope you can join!

Best,
Jennifer
